ATTENDANCE POLICY

- Students are expected to attend class punctually, and be dressed in proper class uniform, hair tied away from face.
- Students enrolled in one class a week, who are planning to be in the recital, may miss no more than 3 classes during the fall semester, and no more than 4 classes during the spring semester, which they are allowed to make up. Students enrolled in multiple classes, who are planning to be in the recital, may have no more than 3 absences in each class during the fall semester and no more than 4 absences in each class during the spring semester, which they are allowed to make up.
- Make-up classes will be honored for **illness and emergencies only** and must be scheduled with our administrative staff and be done **within the semester** of the child's absence.
- Students who miss more than the allowed number of classes must discuss with AYDT's administrative staff possible options for still performing in the recital (for example, a **private class** for a student who missed classes due to illness or extenuating circumstances).
- **A make-up class does not negate an absence. We allow make-ups as a courtesy to students so they can enjoy the full benefit of their dance experience. However, if a student has more than the allowed number absences, even if he/she does make-ups, he/she can still not participate in the recital unless he/she does a PRIVATE CLASS with his/her teacher. One PRIVATE CLASS makes up for up to two additional missed classes.**
- **PLEASE NOTE: The maximum number of absences a child may have and still participate in the recital by taking additional private classes is six. After the maximum number of absences in a semester, the student will not be allowed to participate in the recital no matter how many private classes he/she might take.**
- Please see the full attendance policy in your child's folder.
